Whites Persecuted To Win Reagan Minority Votes

SPECIAL SUPPLEMENT EDITION

Stop Political Frame-Ups!

These White Christians are being persecuted because they defended themselves from a murderous communist attack. From left: Jerry Paul Smith, Coleman Pridmore, Lawrence Morgan, and David Matthews.

Longest Trial In North Carolina History
Families Go Through Great Suffering

China Grove, N.C. is a small community 70 miles from Greensboro. The Klan rented the local Community Center on July 8, 1979 to show the classic movie, "The Birth of A Nation." They were immediately attacked by members of the Communist Workers Party who injured several people. One black communist brazenly burned the Confederate Flag in front of the press. They called the Klansmen and people who came to view the film scum, cowards, etc. The Whites left via a back door with a police escort to avoid any confrontation with the violent communists.

The baiting of the Klansmen continued until the shootout in Greensboro where again the Communists started the violence. Thus five White Christians were indicted and tried for defending themselves against an armed mob of communists. Those tried were Coleman Pridmore, Lawrence Morgan, Jerry Paul Smith, David Mathews, Roland Wood and Jack Fowler, Jr. The trial continued over three months — 96 days — the longest and most costly trial in the history of North Carolina. The trial cost taxpayers millions of dollars.

State Jury Finds
Patriots Innocent

After thoroughly going over all of the evidence, taking several days, the jury came back with a verdict of "INNOCENT!" Appropriately enough the foreman of the jury was an anti-communist Cuban. The exact opposite of Cesar Cauce the dead castroite Cuban who worked to subvert America as a pro-Castro enemy agent. The Cuban who was chosen as foreman in the 1980 trial was Octavio R. Manduley. He fought against Fidel Castro as a member of the "20th of May Organization" which conducted the CIA sponsored Bay of Pigs invasion designed by Pres. Dwight Eisenhower to liberate Cuba. The invasion could have succeeded and driven communism, not only from Cuba, but out of all of Central America. But Pres. John F. Kennedy, at the very last moment, after the invasion forces had landed on Cuba's beaches withheld promised U.S. air and naval support which would have defeated Fidel Castro once and for all.

Mr. Manduley stated it was clear to everyone on the jury that the Klansmen had acted in self-defense. He said it was not right to try the anti-communists and not the communists "for firing pistols." *After all the communists began the shootout in the first place.*

Reagan's Political Indictment of Patriots

Some three and one-half years after the Greensboro incident U.S. Attorney General for Civil Rights William Bradford Reynolds personally announced, from his high perch overlooking Capitol Hill, that not only had five of the original Greensboro defendants been indicted but four more making a total of nine, were this time indicted for — BELIEVE IT OR NOT — *"violating the civil rights of communists!"*

One of those indicted was Eddie Dawson, a lifetime FBI informer, who is not a North Carolinian. He is from New Jersey and was also an FBI paid pimp while living there also. The Justice Department indicted one of their own to make it appear as if they are washing their own dirty linen in public. Why did they wait three years to reindict the five who have already been tried and found innocent in the same case — THE REASON IS THAT REAGAN IS GOING AFTER THE BLACK AND JEWISH VOTE!

Remember, two Jewish medical doctors from New York state died. Thus the 2.5 million Jews, whose bloc vote delivers that state to which every presidential candidate Jew leaders endorse, is on the line. By "avenging" the death of two Jew doctors Reagan's political advantage will be further enhanced in New York.

The Suffering Of The Defendants Families

Your editor (Dr. Fields) personally has met and visited with the wives of several of the defendants in the Greensboro case. This case has hung over their heads now for five years. Some of the men lost their jobs over all the publicity involved. Their constitutional rights have been clearly violated because this second trial is a violation to their right to be protected from "Double Jeopardy" which means being tried twice for the same offense. The Supreme Court has upheld such prosecutions which are only used against White Christians. Has anyone ever heard of the Justice Dept. trying any Commie or non-White for violating our "civil rights?" Also, several of these communists were indicted before the first trial for "felonious assault" against the Klansmen — WHY WERE THEY NOT INDICTED THIS SECOND GO-ROUND FOR VIOLATING THE "CIVIL RIGHTS OF THE KLANSMEN???"

Some believe this is part of a "secret settlement" of the $48 million suit filed against the U.S. Government and North Carolina officials for knowingly allowing their paid informer, Eddie Dawson, to lead the Klansmen into this entrapment.

The wives and children of these defendants have suffered loss of income, great hardship, worry, nervousness, stress, and outright harassment by constant FBI investigations. All of this has been aimed at the families of these men and there has been no harassment of the communists! IT IS NOT RIGHT — IT IS UNCHRISTIAN — IT IS UNAMERICAN to torture these families again and again. They waited all this time for a second trial just so the Reagan Administration can win the minority bloc votes located in key big city areas in Northern States.

These are the defendants and their families. Put yourself in their place and try to imagine the mental suffering they have gone through and are now forced to endure in an outrageous second trial!

White Christians Incited
By The Reagan Justice Dept.

Those indicted include the following with the first five being tried for the second time:

1) **Jerry Paul Smith** of Maiden, N.C., age 39, married and father of three children.

2) **Coleman Pridmore**, 41, of Lincolnton, N.C., married and father of three children.

3) **David Matthews**, 27, of Lincolnton, N.C., married and

Abolish The NAACP

The *Wall Street Journal* of July 13 says the "NAACP Can End Its Bickering — By Dissolving!" We certainly agree. The Journal says the NAACP display of backstabbing and gutter sniping between its President, Benjamin Hooks, and Executive Secretary Margaret Wilson, is a disgrace. First Ms. Wilson fired Hooks from the NAACP. The executive board reinstated him and Hooks retaliated by taking Ms. Wilson off the payroll, cancelling her expense account and check-cashing privileges.

The *Wall Street Journal* charged that the NAACP today is nothing more than a socializing and expense - account padding fraud without a mission. Every conceivable civil rights law has already been passed. Now the only NAACP demand is that blacks serve on the boards of all large corporations and colleges.

Reagan Faces Defeat

Notice To President Reagan

Dear President Reagan:

It has been made clear to the White Majority in America that you are going all out after the minority vote. In so doing, your Attorney General, in charge of the Civil Rights Division of the Justice Dept., William Bradford Reynolds, now brags he has brought 116 civil rights actions against White people — more than any other Administration in U. S. history!

Mr. President, for some reason you believe you can indict White Christian Patriots in North Carolina, Tennessee, Alabama, Georgia, and other states and we will simply ignore this overt persecution of our people and vote you back into office anyway. The Republican Party seems to think President Reagan has our vote in his back pocket and that we have no place else to go.

Think Again, Mr. President!

The White people are waking up quickly to your exclusive catering to the minorities and persecution of White Christians. This issue of The Thunderbolt outlines some of Reynolds' 116 cases. THEY ARE DELIBERATELY DESIGNED TO RAILROAD WHITE PEOPLE TO PRISON JUST TO GAIN YOU A HANDFUL OF MINORITY VOTES!

Mr. President, unless this policy does not cease IMMEDIATELY — we assure you that the "Solid South" of electoral votes will be denied you next year. WE WILL EITHER RUN A THIRD PARTY CANDIDATE FOR PRESIDENT OR VOTE FOR THE DEMOCRATIC CANDIDATE!

All Patriotic White Christian organizations endorsed you in 1980, worked for your election, got out the White peoples' vote, and WE ELECTED YOU!! Apparently you have forgotten how and who elected you! Unless your pro-minority policies and persecution of White activist leaders ceases, WE WILL ALL WORK TOGETHER TO DEFEAT YOU NEXT YEAR AND DENY YOU THE SOLID SOUTH ELECTORAL VOTE.

Signed:

Reds poster incited blacks to riot Nov. 27 in Washington, D.C.

FBI Lie - "Reds Didn't Riot"

(Below from Wire Service reports)

Is The FBI Blind To Communist Violence

FBI Director William Webster issued a report that there were 51 terrorist incidents in the U. S. last year. All were committed by communist and Jew organizations. New York topped the list with 21 incidents followed by Puerto Rico with 15 incidents. Committing most was the Puerto Rican FALN (Independence for Puerto Rico) next was the Jewish Defense League and finally various communist groups.

When asked about the Nov. 27 riots in Washington, D.C. during which stores were looted and cars overturned in so-called anti-Klan protests Webster replied: "*There is no evidence that the violence which erupted after the Ku Klux Klan Washington rally, had been influenced by any outside group.*" Some 38 people were arrested and 10 policemen were injured in the anti-Klan rally.

The Washington Post reported that communists circulated through Washington's black ghettoes in sound trucks exhorting blacks to take to the streets for a "Death To the Klan" rally. The Post said the organizers of the black mobs included such revolutionary communist groups as the Spartacist League, Progressive Labor Party, the Trotskite Workers World Party and the All-Peoples Congress. They were brought together by the "November 29 Coalition."

With all this information available to the Post why could not the FBI find a communist in the haystack? Why were not these communist leaders arrested for inciting to riot and violating the civil rights of the Klansmen? Can you imagine White people going to Washington for the purpose of creating a riot and not being arrested charged with the most serious offenses the government could dream up. What we have in America is a two tier system of justice. One in which a totally innocent Whiteman can be framed (like J. B. Stoner) but the Jews and coloreds can go out and commit riot and mayhem in the streets in front of the White House with impunity. This is a situation which urgently needs correction.

Why are White people, who simply defend themselves, arrested by the FBI, placed under heavy bond and charged with violating the civil rights of communists?

William Webster

WASHINGTON — Citing an increase in domestic terrorism, FBI Director William Webster said Wednesday he has assigned top priority to the bureau's investigations of terrorist acts.

Webster told a Senate Judiciary subcommittee there were 51 terrorist incidents in the United States in 1982, an increase of nine over the previous year. In addition, there were six more deaths and 22 more injuries than in 1981.

The FBI also released its 1982 analysis of terrorist incidents in the United States, showing that New York topped the list with 21 incidents followed by 15 in Puerto Rico.

Webster said the FBI now defines terrorism as an unlawful act of force or violence to intimidate or coerce a government or civilian population to further "political or social objectives."

Last December, he noted, anti-nuclear activist Norman Mayer had "the whole country at hostage for hours" as he espoused his views while threatening to blow up the Washington Monument.

Webster also said there is no evidence the violence that erupted last Nov. 27 in a thwarted anti-Ku Klux Klan rally in Washington had been influenced by outside groups. Thirty-eight people were arrested and 10 police officers were injured.

father of two children.

4) **Roland Wood**, 38, of Winston-Salem, N.C., married and father of one child.

5) Jack Fowler, Jr., 31, of Winston-Salem, unmarried.

(Note: Lawrence Morgan, of the first trial was not indicted the second time.)

6) **Virgil Griffin**, 38, of Mount Holly, N.C., married and has six children.

7) **Roy Toney**, 35, of Gastonia, N.C., married with two children.

8) **Raeford Caudle**, 40, of Winston-Salem, married with four children.

These are innocent men — targets of one of the most vicious persecution cases we have ever witnessed. They are true American Patriots in every sense of the term and should be given medals and awards and not subject to endless trials, suits and persecution just because the Communists have gained so much strength and influence in America.

(Important Note: The $48 million suit filed by the communists against the Klansmen, state and federal officials is financed by the so-called "Greensboro Civil Rights Litigation Fund." Believe it or not the communists have been able to raise $600,000 for expensive lawyers contributed mostly by wealthy New York Jews and donations from the Red "United Church of Christ's Commission For Racial Justice" which is headquartered in New York City.)

Dangerous Communists Killed

Reagan's Justice Dept. Indicts North Carolinians Just Before Elections

Greensboro, N.C. was the scene of a "Death To The Klan" rally held by the Communist Workers Party (CWP) on Nov. 3, 1979. For weeks local members of the Klan had been baited by the Reds who called them cowards, yellow bellies, who would not dare to face the CWP. For some still mysterious reason a long time FBI informer and Greensboro police informer, Eddie Dawson, got 40 Klansmen together and told them the communists had to be faced down over these threats. The Greensboro police department knew all about the forthcoming confrontation and City Hall even provided Dawson with the detailed location of the CWP anti-Klan rally.

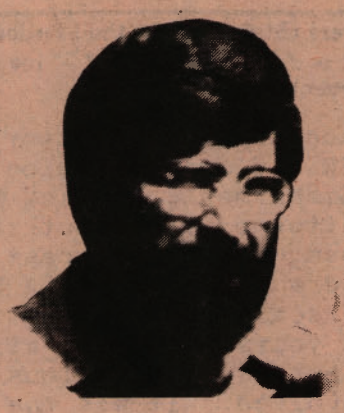
Dawson led the caravan, driving up to the communists gathering of about 100 and shouted at the Reds, "You wanted to see the Klan, well, here we are." At that moment the communists went for their guns and ballistic experts said the Reds got off five shots before the Klansmen were able to return fire. As it turned out the Klansmen, luckily, were the better marksmen. One Klansmen was wounded as were four communists — the difference was that five other communists died.

Leaders of The Communist Party Killed

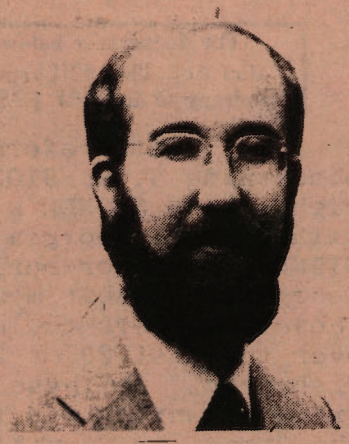
It is very strange to see Pres. Reagan on TV pleading for money to send guerrillas behind Nicaraguan lines to kill communists and weapons to El Salvador to kill and drive out communists there. Then, right here in America we have a clear case of White Christian family men being shot at by communists who returned fire in a perfect case of self-defense.

It is of importance to note that those killed included the top leaders of the Communist Workers Party (CWP). The reason is these radicals were in the front line of Reds who started shooting straight at the Klan motorcade. The Communists killed included two Jewish medical doctors fron New York City.

READ AND PASS ON



JIM WALLER

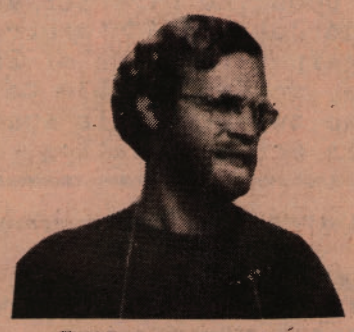


MIKE NATHAN

They were Dr. Mike Nathan and Dr. Jim Waller. The Reds pretended to be textile workers and sought jobs in the Cannon Mills and similar plants for the sole purpose of enticing the workers into joining the Communist Workers Party. Even this was a farce because they used a front name, "Workers Viewpoint Organization" so the workers would think they were joining some kind of pro-union group rather than the CWP. It is interesting to note that very few joined because they could see through this trickery.

SANDI SMITH

Sandi Smith was the only negro communist killed. It was her job to try and recruit blacks into the Communist Workers Party. She met with little success and obtained a job at Cone Mills which has many black employees. Sandi Smith was considered one of the most radical and violent of the black female communist leaders.



BILL SAMPSON

Bill Sampson was the only White Gentile killed in the shootout. Handsome and intelligent, he was able to infiltrate one textile mill and become the President-elect of local 1391 of ACTWU. He also told employees to join "Worker's Viewpoint." He never revealed they would actually be joining the Communist Workers Party.

CESAR CAUCE

Cesar Cauce was a communist Cuban who slipped into America on the first boatlift of so-called refugees. Fidel Castro used the boatlift to empty his prisons and insane asylums of thousands of undesirables to further destabilize America for his planned communist overthrow of the U.S. Government in the future. Cause, a White Cuban, married a black Floris woman to demonstrate his belief in the myth of "racial equality." Cauce got a job at the Duke Hospital to try and recruit workers into their "Workers Viewpoint" front.

Illegal Aliens Voted In Chicago

U.S. Attorney Dan Webb has evidence showing 70 illegal aliens voted in Chicago's recent mayoralty election. This indicates that a large number of other illegals also voted and negro Harold Washington was their choice. At long last the immigration service is computerizing those known to have overstayed their visas so that they can be rapidly cross-checked with voter lists.

Original Encyclopedia Debunked "Racial Equality"

Encyclopedia Britannica of 1911 Said Blacks Inferior

The Encyclopedia Britannica today carries not one word about the lack of intelligence in the negro that appeared in their 1911 edition. This is what the Encyclopedia formerly stated:

"The negro appears to stand on a lower evolutionary plane than the White man, and to be more closely related to the highest anthropoids (Apes.) The characteristics are length of arms, prognathism (forward projecting jaws), a heavy massive cranium with large zygomatic arches, flat nose depressed at the base, etc."

"Mentally the negro is inferior to the White. The remark of F. Manetta, made after a long study of the negro in America, may be taken as generally true of the whole race: . . . the negro intellect is clouded, they are lethargic (lazy) and indolent (unintelligent.) The development of the negro brain is arrested by the premature closing of the cranial sutures and lateral pressure of the frontal bone . . . The arrest or even deterioration in mental development no doubt very largely contributes to early puberty where sexual matters take the first place in the negro's life and thoughts.

"In the United States the recognized leaders of the negro race are almost invariably persons of mixed blood, and the qualities which have made them leaders are derived certainly in part and perhaps mainly from their White ancestry. Wherever large numbers of full blooded negroes and of persons of mixed European and negro blood have lived (mulattoes) there is a strong and growing tendency to establish a social line between them." In other words the mulatto feels superior to the full-blooded black and seeks to separate himself from the them — which is part of nature.

WHY ARE NOT THESE TRUTHS AVAILABLE TO THE PEOPLE TODAY? WHY IS THE FALSE THEORY OF "RACIAL EQUALITY" TAUGHT IN THE SCHOOLS WHEN IT IS 100% FALSE? ? ?

Kipling Predicted Danger In Granting Blacks Voting Rights.

Rudyard Kipling Warned Against Negro Voting In 1889

Kipling was one of the most brilliant thinkers and writers the world has ever known. Even back in 1889 he visioned the future and the threat of allowing the negro to vote would cause. Thus he wrote in "American Notes':

"He is untrained, inept. but he will fill the place and draw the pay. (While the White people do the work.) Now, God and his father's fate made him intellectually inferior . . . He is a big, black, vain baby and a man rolled into one.

What will the Americans do with the negro? . . . Every year they are less and less in need of his services. (Note: Thus he has gone on welfare.) He will not disappear. He will continue as a problem. His friends (liberals) will urge that he is as good as the White man.

"The American, once having made them citizens, cannot unmake them. Newspapers say they ought to be elevated by education. He is trying this, but it is likely to be a long job, because black blood is much more adhesive than White, and throws back with annoying persistence.

"He has been made a citizen with a vote, consequently both political parties play with him. (Note: Oh, how that prediction has come true today!) He is as complete a heavy-footed, uncomprehending, bungle-fisted fool as any memsahib in the East ever took into her establishment. But he is according to law a free and independent citizen — consequently above reproof or criticism. (Note: Another prediction come true, any criticism of the negro is branded as "racism.")

Thus brilliant intellectuals of the past warned us about the dire consequences of trying to make "equals" out of an obvious inferior race.

FBI Conspiracy To Disbar J.B. Stoner

FBI Conspired To Have J.B. Stoner Disbarred

J. B. Stoner is the best known national leader of our time who represents the struggle for the rights of the White people. As a lawyer he has defended many scores of Patriots and in most cases represented them FREE of charge. Stoner's record of winning cases involving the political persecution of White people is without parallel. It made no difference what organization the persecuted Whites belonged to, be they members of the National States Rights Party, KKK or some other group, or even just individuals Mr. Stoner would still go out and defend them. Many were federal civil rights cases prosecuted by the best lawyers in the federal government with all the money available to the Justice Dept. Still J. B. Stoner won most of the cases. I wish we had room to give a historical breakdown of these cases and perhaps in the future we will cover his big legal victories.

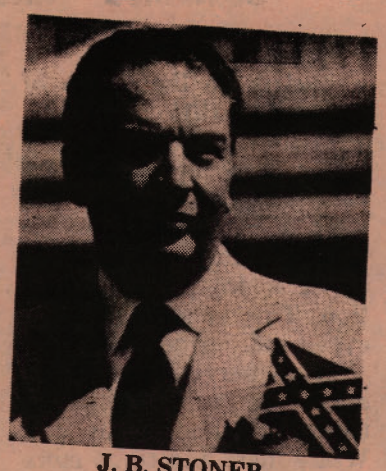
COINTELPRO Conspiracy To Disbar Stoner

During the 1950s and 1960s the Justice Dept. allowed the FBI to develop an illegal operation called the "Counter Intelligence Program" or (COINTELPRO). It was designed to disrupt, sabotage and wreck any organization which the government deemed "controversial." This program was discontinued under Pres. Jimmy Carter when its illegal "black bag" break-ins were revealed and caused a great scandal for the FBI and the indictment of top FBI officials. Now, Reagan's U.S. Attorney General, William French Smith, head of the Justice Dept. has given FBI Director William Webster the authority to relaunch what they call a "limited" COINTELPRO starting last March 21. This new persecution program has resulted in the indictment of the Greensboro, N.C. defendants and the other cases outlined in this issue of The Thunderbolt.

J.B. Stoner Had To Be Stopped

As the most effective and courageous lawyer in America, J. B. Stoner was a thorn in the side of the FBI COINTELPRO Program.

Every time they tried to frame another Patriot there was Stoner on the scene to take charge of the case and



J. B. STONER

defeat the un-Justice Dept. time and again. Therefore the FBI launched a secret campaign to have Stoner disbarred. Under the Freedom of Information Act we were able to obtain some of the documentation which reveals what went on behind the scenes to bring about the disbarment of J. B. Stoner.

The FBI document reproduced on this page bears the date Dec. 12, 1966 and describes secret meetings with the Georgia Bar Assn. seeking to find some excuse to disbar Stoner from the practice of law. When they failed this didn't mean they had given up. We have another FBI document in which Attorney J. B. Stoner was representing a patriot in Jacksonville, Fla. A special surveillance was placed on Stoner in hopes of entrapping him into "tampering with a jury.' The report said the sole purpose in trying to bring such a charge against Stoner was in order to have him disbarred. Again they failed and STONER WENT ON TO WIN THIS CASE ALSO!

Thus when we read about the FBI coming out of nowhere to indict other Patriots just before the 1984 elections, when both Parties claim they must have the minority vote in order to win — we must take these indictments with tongue in cheek and look for the political motivation lurking in the background. White Christian people are being indicted and tried just because an unscrupulous politician wants to capture the minority vote just to be elected President.

(The documents below were obtained under the Freedom of Information Act. This FBI report is dated Jan. 10, 1967 — revealing the conspiracy to disbar J. B. Stoner.)

With reference to Bureau letter of 12/15/66 concerning J. B. STONER and consideration of action which might cause STONER's disbarment, contact has been made with several Georgia attorneys, without reference to STONER, NSRP, or purpose, concerning past actions in Georgia to disbar members of the Georgia Bar Association. These attorneys could recall only two or three instances, over the past 20 or 25 years, where an attorney was disbarred. In these instances, a serious crime such as fraud or murder was involved. It was the consensus that the Grievance Committee of the Bar Association and individual members are reluctant to take action against a fellow-member.

Based on STONER's past activities, it appears that anyone attempting to institute disbarment action against STONER would be facing a stiff legal battle. For these reasons, Savannah is of the firm opinion that the initiation of such action by anyone at the request of the Bureau would be too fraught with potential embarrassment to the Bureau. Consequently, Savannah does not recommend such action be instituted.

In the near future, Savannah will review all references on J. B. STONER, in the Savannah Office, and attempt to develop some counterintelligence measure against J. B. STONER, acceptable to the Bureau.

In the meantime, it is recommended that the letter from XAVIER be sent, and time given for an appraisal of the results accomplished by that letter.

For the information of Cincinnati, in connection with this program, consideration is being given to mailing a letter ostensibly by XAVIER, missent to NSRP, Dayton, Ohio, which would depict XAVIER as a spy in the NSRP for the Anti-Defamation League. Cincinnati will be advised when the letter is sent.

Without any mention of such to informants, Cincinnati, through its informants in the NSRP at Dayton, Ohio, should be alert for any comments concerning the letter,

A letter was also proposed by the Bureau that will project the image of PETER L. XAVIER, NSRP, Augusta, Ga., as an informant for the Anti-Defamation League and is under consideration.

PENDING COUNTERINTELLIGENCE

NOTE: **(Because J. B. Stoner criticized Kennedy and Lyndon Johnson, the FBI made a second attempt to disbar Stone.)**

J. B. Stoner, Georgia attorney for the National States Rights Party, an anti-Semitic and anti-Negro group with headquarters in Birmingham, Alabama, has been most vicious in his attacks upon the Director and the Bureau and both the Kennedy and Johnson Administrations. His conduct is certainly against the Code of Ethics of Attorneys, and as a public service, we may be able to confidentially have him disbarred if we can bring his speeches to the attention of the Georgia Bar Association.

Re Savannah letter to Bureau, 8/27/66.

1. POTENTIAL COUNTERINTELLIGENCE ACTION

A proposal made by the Bureau that a fictitious order for 20,000 copies of "The Thunderbolt" be sent from New York, giving the return address of the Communist Party, is under consideration.

In connection with the suggestion by the Bureau to order 20,000 copies of "The Thunderbolt", it appears now would be an excellent time for such a technique. [redacted] the December issue of "The Thunderbolt", as well as a flyer attached, makes an urgent appeal to supporters of the party for funds, and calls attention to the bad financial situation the party finds itself in at this time. On 11/29/66 a check for $500 was issued to the Walton Tribune, which prints the paper for the NSRP, and appears to be for the December, 1966, issue.

In connection with ordering the 20,000 copies of "The Thunderbolt", it is suggested the order be mailed at New York City, together with the enclosed clipping from "The Thunderbolt" advertising extra copies, and the address there to which the copies are to be sent.

If the suggested flyer soliciting information to discredit FIELDS is prepared, it is suggested it be mailed from a point removed from Augusta, Ga., possibly Birmingham,

The November, 1966, issue of "The Thunderbolt," page 12, indicates that a copy of "The Thunderbolt" will be sent to every name submitted for 15 cents per copy. NSRP funds could be substantially curtailed if some 20,000 copies of "The Thunderbolt" were ordered by a fictitious person utilizing the street address of Communist Party Headquarters, New York City.

FBI Plot To Destroy "The Thunderbolt"

The Thunderbolt is the oldest continuously published newspaer in America "Defending the Rights of White People." Our first issue rolled off the press in 1958 and only went out to 66 founding subscribers. That was 25 years ago and today The Thunderbolt is read by many thousands of subscribers in America and every free White nation in the world. We present the truth and the news suppressed by the daily press — information nowhere else available — without fear or favor. This has not been appreciated by "Big Brother" in Washington and orders went out to discover some means to put The Thunderbolt out of business once and for all.

The FBI read our appeal letter for funds because we have no advertising and are a "reader subsidized" publication. On Dec. 29, 1966 the FBI discovered that we were behind in our payments to our printer. We were only able to make a payment of $500 when our bill ran many times this amount. The brilliant FBI, ignoring big time crime, drugs, subversion, corruption, etc., decided to give top priority to a very dangerous adversary — a truly free newspaper. THE FBI THOUGHT A NEW "DIRTY TRICK" COULD FINISH US OFF!

On this page we reproduce another document obtained under the Freedom of Information Act. We are continuously giving away FREE copies of The Thunderbolt trying to find new subscribers. Thus the FBI decided on a COINTELPRO scheme to forge a letter from negro Albert Johnson, an activist with the Communist Party, in New York City. The plot was to mail us a letter, with Johnson's name forged, stating he operated an important "conservative organization" about to hold a meeting of Patriots. If we would send them 20,000 Thunderbolts they would distribute them, pay for the newspapers, and gain us a lot of new subscribers. The FBI knew when the communists received the newspapers they would never pay for them. They would either destroy the papers or ship them back with us paying the freight both ways. Shipping 20,000 papers would cost hundreds of dollars and their loss could cost thousands more because an order of this size would require us to print a lot more newspapers than normally needed for extra copy sale.

The Phony Letter

Luckily for us, your editor, Dr. Fields, subscribes to the Communist "Daily World" and immediately recognized their address. At the time I thought this was a communist plot to put us out of business. Never in my wildest dreams did I think it was an FBI scheme to sabotage The Thunderbolt hoping it would tip us over the brink of bankruptcy. Therefore we never shipped the order and only now have discovered who was really behind this ILLEGAL scheme to put us out of business. There were other schemes and we saw through every one of them which just goes to prove that we are not as stupid as the FBI thinks.

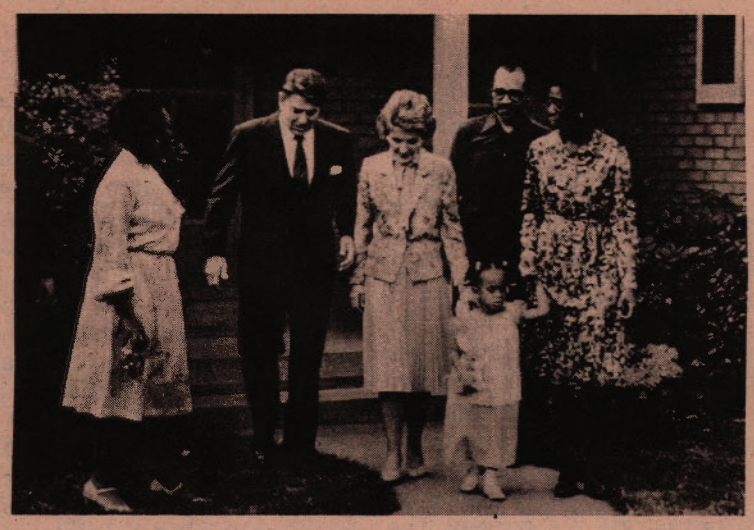
But the point is, America is supposed to be a free country and not one in which a secret police agency is sneaking around trying to frame innocent White Christians and disrupt Patriotic organizations and publications they don't approve of. This is exactly what goes on in Poland and Russia. Americans had better awaken quickly or they will lose their freedoms and wake up one morning to read in the daily press that due to some kind of national emergency the President has suspended freedom of speech, press and assembly. Many people believe that this can never happen — but if you read these COINTELPRO papers you will discover that we are very close to a dictatorship today. Wake up, White people — join the National States Rights Party or subscribe to The Thunderbolt and begin to do your part to save America and our God-given freedoms before it is too late.

Outrageous Frameup Cases Exposed

Blacks Surprised By Reagan Visit

College Park, Md. is an all-White suburb where the black family of Philip Butler moved in 1977. Shortly thereafter a cross was found burning on their front lawn. No doubt a protest from neighborhood White residents. Some five years later, in May, 1982, Pres. Reagan and his wife Nancy flew by helicopter, then rode in a siren-blaring motorcade, tieing up traffic during the rush hour.

Reagan rushed up to the house and told the black couple his administration was going to put a stop to such acts of racism.



Pres. and Mrs. Reagan visit negro Butler family to apologize for a cross burning — which happened 5 years ago — another big media event!

At first they didn't even know what he was talking about because the incident occurred five years ago and had been forgotten by everyone. Reagan talked as if it happened yesterday! National publicity was focused on this latest Reagan "concern" for civil rights but most of the news media left the 1977 date out of their stories. Reagan made sure the press cameramen were ready when he kissed Barbara Butler and her daughter Natasha.

Chattanooga Frame-Up Case

Signal Mountain, Tenn. Over three years ago in Sept. 1980 a cross was lighted in front of the home of an Asian couple from India. John Wayne Thacker, then 23, was questioned about the matter which was only a misdemeanor. In 1981 state prosecutors dropped the case. Now, all of a sudden, the Civil Rights Division of the Justice Dept. reopens the case and arrests Thacker on May 19, 1983. This time he is charged with violating the Asians right "to fair housing." This is a new civil rights offense which carries a $1,000 fine and 12 months in jail. BUT, YOUNG THACKER IS PLACED UNDER A $10,000 BOND!!!

Asked why they waited so long to bring these charges Reagan's Justice Dept. Public Relations director, John Wilson said: *We always wait the outcome of local action and this is not unusual.*" BUT THEY WAITED TWO YEARS — JUST BEFORE THE UPCOMING PRESIDENTIAL ELECTION!

The Birmingham Alabama Case

Decatur, Ala., May 26, 1979, the controversy was high over the argument whether a mentally retarded young black could rape two White women. Reds moved into the area and incited black demonstrations in the street demanding freedom for the negro who was eventually convicted and later found insane and sent to the Brice Asylum.

There were two marches that day at the same time. One by the blacks and the other was the Klan. Shooting erupted and two blacks were wounded (by policeman), and two Klansmen were shot by the blacks. One black was convicted for shooting two of the Klansmen but received no jail sentence. Then multi-millionaire Morris Dees (a Jew of Russian descent) heads the so called "Southern Poverty Law Center," filed suit against the Klan.

He charged they "conspired" to violate the civil rights of the black demonstrators. Today, five years later, the FBI announced they were working closely with Dees and had reopened an investigation of KKK leaders, Roger Handley, Ray Steele and Billy Riccio. Dees brags that he furnishes the FBI with most of the information they have for this investigation. It should be noted that Morris Dees made his millions through direct mail fund raising.

He has raised huge amounts of money for an organization dedicated to outlawing private gun ownership. Dees was chief campaign fund raiser for Jimmy Carter in 1976 and Sen. Ted Kennedy in 1980. Recently Dees' office in Montgomery, Ala. caught fire and the FBI announced the very next morning they had entered the case but could cite no federal statue which might be involved. Thus the Reconstruction of yesteryear has once again returned to power in a Republican Administration.

Justice Dept. Throws Book at Atlanta Kids

Atlanta, Ga., Aug. 4, five White youths are arrested by the FBI after an altercation at the Chattahoochee River National Park. It seems that an argument broke out between some blacks and Whites over the use of picnic tables. It is charged that one of the White youths pulled a knife and ordered the blacks out of the park. Arrested were Steve Ramsey, Ricky Ramsey, Kelly Colleen Cato, Tommy Duckett and Richard Spinks.

They have been charged in this minor incident with *"violating the civil rights of the blacks."* If convicted they face fines of $10,000 and up to five years in prison. Just a few years ago this would be a state misdemeanor with probably a $30 fine or 30 days in jail.

BUT, THINGS ARE DIFFERENT IN THESE DAYS OF THE "SECOND RECONSTRUCTION." Any white who has any trouble with a colored can expect the full force of the federal government brought down upon his head. Has anyone ever heard of a colored being indicted for "violating the civil rights of a White person?" The answer is NO because today only the non-Whites have any civil rights.

REAGAN'S ANTI-WHITE ACTS ARE POLITICAL! IF NOT STOPPED IMMEDIATELY WE WILL WORK NIGHT AND DAY TO HAVE ALL WHITE PEOPLE VOTE THESE RECONSTRUCTIONISTS OUT OF OFFICE. THEY MUST NOT BE ALLOWED TO TAKE OUR VOTE FOR GRANTED WHILE THEY RAILROAD OUR FELLOW KINSMEN!

Housing Law Would Terrorize Elderly Whites

Reagan and Kennedy Join Forces For New Anti-White Civil Rights Law

Just when we thought it was impossible for the liberal-left-wing politicians in Washington to come up with any more civil rights laws to grind down oppressed White people, Reagan and Kennedy have joined hands in support of a new law. This law, promoted by William Bradford Reynolds, eliminates the right of a trial by civil judge and jury for those accused of housing discrimination in refusing to sell or rent to coloreds.

A Justice Dept. Administrative Judge would try you and have the power to issue fines as high from $50,000 for the first offense and up to $100,000 for the second offense. The law would also now apply to elderly mom and pop boarding homes who rent out only a few rooms to supplement their social security. The bill has not passed yet and we will monitor and report on all in Congress who dare to support this vile Reconstructionist oppressive and tyrannical legislation.

Reagan-Kennedy Housing Bill

WASHINGTON

The watchword within the Reagan Administration is civil rights enforcement as officials continued their carefully orchestrated push with the unveiling of legislation designed to strengthen the Fair Housing Act of 1968.

The announcement along with the one made 24 hours earlier detailing the Justice Department's desegregation suit against the state of Alabama are clearly seen by political observers as an effort to reduce the spotlight shining on confirmation hearings involving President Reagan's choices for the Civil Rights Commission.

Those hearings got underway Wednesday.

The introduction of the new housing enforcement measure was made earlier this week as representatives of the Justice Department and Housing and Urban Development officials trotted over to the White House to back up Reagan's statement made last weekend intending to "put real teeth" into the Act.

Under the administration's proposal, the housing secretary would be permitted to forward individual complaints of discriminiation over to Justice for litigation if conciliation failed.

Justice Department officials under the current provision were only allowed to act if there was evidence of discrimination. Penalties, under the proposed measure would run up to $50,000 for the first offense and up to $100,000 for the second.

The proposal would also extend the statute of limitation for private actions from 180 days to two years and prohibit discrimination on the basis of handicap.

Yet key among the proposed provision is the elimination of the administrative process which civil rights groups oppose.

William Bradford Reynolds, head of the Justice's civil rights division, would speed the process up but civil rights groups pointed out that the courts are already overcrowded and the judicial process without the administrative assistance would do the opposite.

The various groups, including the Leadership Conference on Civil Rights have officially come out in favor of a similar bill sponsored by Sens. Charles McC Mathias, R-Md., and Edward Kennedy which calls for an independent administrative review board.

"This is as strong as a piece of civil rights legislation as we could come up with," said Reynolds pointing out that charges made by civil rights

TOMORROW BELONGS TO ME

The sun on the meadow is summery warm,
The stag in the forest runs free,
But gathered together to greet the storm,
Tomorrow belongs to me!
The branch of the Linden is leafy and green.
The sun gives its gold to the sea.
But somewhere a glory awaits unseen.
Tomorrow belongs to me!
The babe in the cradle is closing his eyes.
The blossom embraces the bee,
But soon says a whisper "Arise! Arise!"
Tomorrow belongs to me!
Oh, Fatherland, Fatherland, show us the sign
Your children have waited to see.
The morning will come when the world is mind.
Tomorrow belong s to me!

Sent to us from England

NOTICE: Don't blame Sen. Jesse Helms who opposes all of Reagan's liberal policies. Gov. Hunt backs Reagan's pro-minority stand!
